

## **Title 15 - Mississippi Department of Health**

### **Part III – Office of Health Protection**

#### **Subpart 70 – General Sanitation**

##### **CHAPTER 02 REGULATION GOVERNING PUBLIC TOILETS**

- 100 **Definition.** A "public toilet" is defined as any toilet room provided for the general public in a theater, service station, public hall, courthouse, bus station, depot or similar public place.
- 101 **Construction.** All toilet rooms shall be constructed of sound material and kept clean and free of insects and rodents. Walls and ceiling shall be of light color. Floors shall be constructed of impervious material free from defects. Adequate light and ventilation shall be provided.
- 102 **Plumbing and Plumbing Fixtures.** The plumbing and plumbing fixtures shall be installed in compliance with good plumbing practices, maintained in good repair and kept clean. Hand-washing facilities, provided with soap and individual towels, shall be provided in each toilet room. Wastes from public toilets shall be disposed of in compliance with the Regulation Governing Disposal of Human Excreta and Other Liquid Wastes. (Note: Superseded by the Regulation Governing Individual Onsite Wastewater Disposal Systems.)
- 103 **Responsibility.** It shall be the duty of the owner, manager or custodian to see that this regulation is complied with.
